The Easement Search provides ownership information for individual(s) or legal entity(ies) regarding a specific easement, at least 10 years back and up to present time. The report will verify easement ownership and address information.

Our professional network of trained researchers follow established industry protocols and use client-supplied property information to complete this Easement Search Search. The report includes:

- Current easement information (i.e. grantor, grantee, recording dates)
- Full copies of all easement related documents within the search period
