RONALD ANDREW REYNOLDS to be used for his health, education, support and maintenance.

A) Distribution of Income and/or Principal. The Trustee may distribute so much of the net income and/or principal of the trust estate to or for the use and benefit of my child, RONALD ANDREW REYNOLDS at such time or times and in such amount or amounts as in the sole judgment and discretion of the Trustee is deemed necessary for the health, education, support and maintenance of my said child in accordance with the standard of living to which my said child shall have been accustomed to during my lifetime. Payment of such sums shall not create rights in any other person who may eventually be entitled to monies under this trust, and such payments, if made out of the principal of the trust, need not be restored to the principal of the trust estate. The income of the trust estate not so distributed shall be accumulated and added to the corpus of the trust estate.

B) Distribution and Termination of Trust. Upon the death of RONALD ANDREW REYNOLDS, the remainder of my estate should be distributed to my heirs-at-law, in equal shares per stirpes.

A) To exercise all of the powers, rights and authorities granted Trustees under the terms of the Texas Trust Act, generally, and any future amendments thereof.

B) To leave or invest the property coming into the Trustee's hands hereunder in any form of investment, although it may not be the character of investments permitted by law to Trustees, without liability for loss or depreciation in the value thereof.

D) To exercise any subscription right in connection with any security held hereunder, and to consent to or participate in any reorganization, consolidation or merger of any corporation, company or association, the securities of which may be held hereunder.

E) In the Trustee's sole discretion, to apportion between principal and income any receipt or expenditure which in the Trustee's opinion should be so apportioned; provided, that whenever any portion of the principal of the trust estate is invested in securities purchased at a premium or at a discount, any such premium shall be charged against the principal and any such discount shall be credited to the principal; and provided, further, that stock dividends and rights to purchase additional stock issued on securities held in the trust created herein shall be treated as principal and not as income. All other dividends except liquidating distributions shall be treated as income.

F) To make any distribution hereunder either in kind or in money. Distribution in kind shall be made at the market value of the property distributed, and the Trustee may, in the Trustee's sole discretion, cause the share to be transferred to any distributee to be composed of property like or different from that transferred to any other distributee.

4.02 Payments to Minors and Persons Under Legal Disability. In case of any payment of either income or principal from the trust created herein becomes payable to a minor, or to a person under legal disability, or to a person not adjudicated incompetent, but who, by reason of illness or mental or physical disability, is, in the opinion of the Trustee, unable properly to administer such amounts, then such amounts shall be paid out by the Trustee in such of the following ways as the Trustee shall deem best: (1) directly to such beneficiary; (2) to the legally appointed guardian of such beneficiary; (3) to some relative or friend for such beneficiary; (4) by the Trustee, using amounts directly for such beneficiary.

4.03 Spendthrift Provisions. None of the trust estate, nor the increase, the income or proceeds therefrom, nor the equitable title thereto, nor the corporate or legal title thereto so held in trust, shall ever be subject to, or in any manner subjected to any indebtedness, judgment, judicial process, creditor's bill, attachments, garnishment, execution, receivership, charge, levy, seizure or encumbrance whatsoever, of or against the property of my said beneficiaries hereunder, nor in any manner affected by any transfer, assignment, conveyance, sale, encumbrance, act, omission or mishap, voluntary or involuntary, anticipatory or otherwise, and the beneficiary or beneficiaries hereof shall have no right or power to transfer, convey, sell or encumber the same as beneficiaries.

4.06 Reimbursement and Fee of Trustee. Any Trustee serving under the trust created herein shall be entitled to reimbursement for expenses incurred as Trustee. My individual Trustee serving under the trust created herein shall not be entitled to compensation for services rendered as Trustee.

ARTICLE V

5.01 Nomination of Trustee. I hereby designate, constitute, and appoint LYNETTE REYNOLDS as Trustee of the trust created under this Will. In the event LYNETTE REYNOLDS should die, resign, fail or refuse to serve as Trustee, then I appoint NORWEST BANK, as Alternate Trustee of the trust created under this Will.

ORDER ADMITTING WILL TO PROBATE
AND AUTHORIZING LETTERS TESTAMENTARY

On this day the Court heard the Application for Probate of Will and Issuance of Letters Testamentary filed on March 23, 2005 by Jack Reynolds, Jr., Applicant in the Estate of VIOLET M. REYNOLDS, Decedent.

The Court, having received evidence in open court and having reviewed the Will and the other documents filed herein, including the Application, finds that the allegations contained in the Application are true; that notice and citation have been given in the manner and for the length of time required by law; that the distributees under the Will described below have each waived issuance and service of citation; that Decedent died in Fort Worth, Texas, on March 3, 2005, at the age of eighty-five (85) years and that four years have not elapsed since the date of Decedent's death; that this Court has jurisdiction and venue of the Decedent's estate; that Decedent was a widow on the date of her death; that Decedent left a Will dated April 28, 1999, that was self-proving and named Applicant as the Executor; and such will was executed with the formalities and solemnities and under the circumstances required by law to make it a valid Will which was never revoked by Decedent; that no objection to or contest of the probate of such Will has been filed; that all of the necessary proof required for the probate of the Will has been made; that the Will is entitled to probate as a valid Will; that a necessity exists for the administration of this estate; and that no interested person has applied for the appointment of appraisers and none are

deemed necessary by the Court.

The court further finds that Applicant is named in the Decedent's Will as the Executor and he is willing to serve as Independent Executor of the estate and is not disqualified to receive Letters Testamentary.

IT IS ORDERED, ADJUDGED and DECREED that such Will is admitted to probate, and the Clerk of the court is ORDERED to record the Will, together with the Application and testimony in the Minutes of this Court.

IT IS ORDERED that no bond or other security is required and upon the taking and filing of the oath required by law, Letters Testamentary shall issue to JACK REYNOLDS, JR., who is appointed Independent Executor of Decedent's Will and Estate, and no other action shall be had in this Court other than the return of an Inventory, Appraisalment and List of Claims as required by law.
